OKE 'Lock In' Profiles

To improve consistency, our 2 part profiles allow for simple and reliable fixing of top covers. The diagrams below shows how to create the type of detail featured on the headboard shown in the circle below.

Featuring OKE2040-000 (fixed to frame) and OKE3604-000 (sewn to outer cover) These items can then simply be pushed together by hand, eliminating the need for further staples.
